## The Health Sciences Academy

Passionate about changing people's lives  
through science and digital education

The Health Sciences Academy is an educational online training provider, which focuses on science-based courses, from Sports and Exercise Nutrition, to Clinical Weight Loss, to Advanced Supplements.

The Health Sciences Academy has significantly raised the standards of distance learning and digital education. Unlike most online providers, where you receive a poor PDF ebook and no engagement, The Health Sciences Academy offers students a gradual and interactive learning experience.

Through an easy to use state-of-the-art multimedia platform, students can take interactive quizzes, participate in live polls, complete online assessments, download printable worksheets for use with their clients, and put their knowledge in practice through Skills Lab™. There is nothing else like it.
